

Funding Sources

The principle income stream for the Association is through rental income directly from tenants which also includes payments made through Glasgow City Council and Department of Working Pensions (DWP)

All forms of funding are detailed below:

Glasgow City Council awards Housing Benefit and Discretionary Housing Payments

Department of Work & Pensions awards Universal Credit payments

Glasgow City Council Grant Funding for improving tenants properties requiring medical adaptations

Glasgow City Council Housing Association Grant for the redevelopment of Brucefield Park empty homes

Glasgow City Council Guarantee award for the funding of Modern Housing Apprentice

Glasgow City Council Development & Regeneration Services HAG funding for development projects

Other forms of funding maybe awarded on occasion as and when the Association fits the required criteria
