

Warm Home Discount Scheme

You could get £140 off your electricity bill under the Warm Home Discount Scheme.

The money is not paid to you - it's a one-off discount on your electricity bill, between September and March.

You may be able to get the discount on your gas bill instead if your supplier provides you with both gas and electricity. Contact your supplier to find out.

The Warm Home Discount Scheme for winter 2018 to 2019 closed on 31 March 2019. The 2019 to 2020 scheme will start on 14 October 2019.

Eligibility

There are 2 ways to qualify for the Warm Home Discount Scheme:

- you get the [Guarantee Credit element of Pension Credit](#) - known as the 'core group'
- [you're on a low income](#) and meet your energy supplier's criteria for the scheme - known as the 'broader group'

How you apply for the Warm Home Discount Scheme depends on how you qualify for the discount.

Pre-pay or pay-as-you-go meters

You can still qualify for the discount if you use a pre-pay or pay-as-you-go electricity meter.

Your electricity supplier can tell you how you'll get the discount if you're eligible, for example a voucher you can use to top up your meter.
